## SUPPLEMENTARY INFORMATION

### Panel repairs on "Renown".

Two different metals are used for the panels of the "Renown". The roof, rear tonneau, front and rear wings are made of steel and normal welding procedure should be employed, where panel repairs are required.

The trunk lid, doors, dash panel and bonnet are made of a special alloy "Birmabright BB<sub>2</sub>," manufactured by Messrs. Birmetals Ltd., Woodgate Works, Birmingham 32 and where information with regard to welding procedure is required, reference should be made to The Technical Sales Department of the manufacturer concerned.
